# Daxko Update

## Steps to ensure that service is not disrupted:

If you don't already have API credentials for another purpose:

1. Contact your Daxko sales rep and request to purchase GroupEx PRO API Credentials. This requires an updated agreement and a pricing tier starting at \$34/month, based on call volume.
2. If you are unsure of who your sales rep is, please contact our support team at [Support@groupexpro.com](mailto:Support@groupexpro.com) and they will be happy to connect you
3. Sign the agreement to gain access to your API credentials
4. Provide your API key to ImageX so that they can set everything up from their end

If you already have API credentials for another purpose:

1. Provide your API key to ImageX so that they can set everything up from their end

## GroupEx Pro Embed Update

- GXP “New” embed has been validated to work with all Open Y / YMCA Website Services themes.
- Look for the toggle in your GXP admin
- “`schedule_embed_responsive.2.js.php...`” changes to “`schedule_embed_new responsive.js.php...`”
- If using the “Code Block” to paste in the code, you’ll need to edit the code: “`</scr"+"ipt>`” will turn into “`<"+"/s"+"cr"+"ipt>`”
- Work with Daxko & your dev partner for assistance

### New Schedule

**INFO** GroupEx PRO now offers a new and improved member facing schedule. Customizable display settings option to align with your brand identity.

# Planning 2023

## 2023 Planning

- Drupal 9.5 → Drupal 10 - Can't do one without the other
- 2 Updates for 2023
- Daxko Schedules - Feb 28, 2023

2023→ 2024

- Layout builder Adoptions - December 2023 -> June 2024

# Layout Builder Training

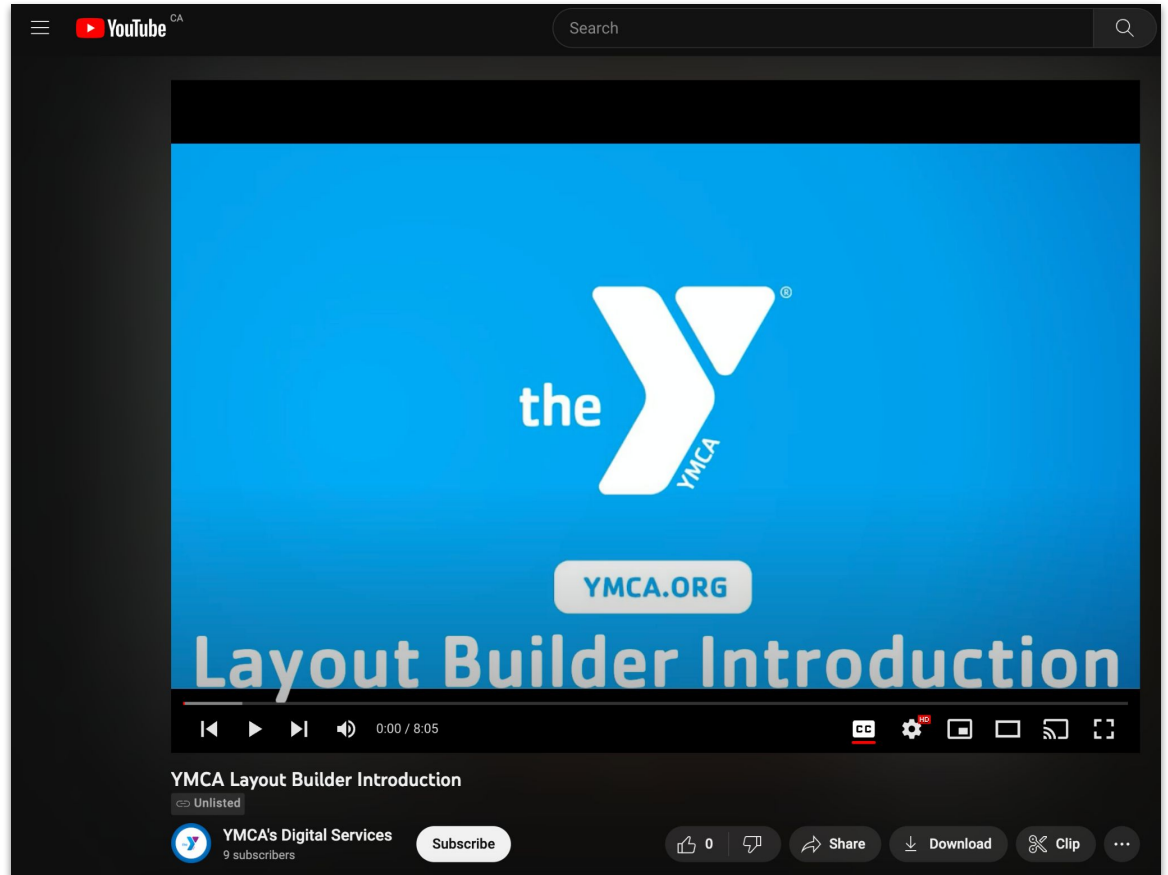

# WRITTEN DOCUMENTATION

The screenshot shows the Drupal documentation page for Layout Builder. The page has a dark header with the 'the Y' logo on the left, and 'Documentation' and 'Community' links on the right, along with a search bar. A left sidebar contains a search bar and a 'Documentation' menu with categories like 'Contribution Guidelines', 'User Documentation', 'Text Editor', 'Page/Content Types', 'Blocks', 'Paragraphs', 'Taxonomy, Vocabularies, and Terms', 'Images and Documents', 'Webforms', 'Virtual Y', 'Content Editing Basics', and 'Layout Builder'. The main content area has a breadcrumb trail 'Documentation / User Documentation / Layout Builder' and a title 'Layout Builder'. Below the title is a paragraph: 'Layout Builder is a powerful new page-building addition to your YMCA website.' This is followed by a red vertical bar and a paragraph: 'Drupal's Layout Builder allows content editors and site builders to easily and quickly create visual layouts for displaying content. Users can customize how content is arranged on a single page, across types of content, or even create custom landing pages with an easy-to-use drag-and-drop interface.' The next section is 'Getting Started with Layout Builder', which states: 'YMCA Website Services 9.2.12 introduces a new Content Type: **Landing Page (Layout Builder)**. This new page will allow you to utilize "Custom Blocks" in "Sections" with different "Layouts" to build pages. Please contact your development partner if you need assistance updating the latest version.' The following section is 'Creating a new page', which says: 'To use Layout Builder, you'll first have to create a new page:' followed by a list: '• Go to **Content > Add Content > Landing Page (Layout Builder)**.' Then: 'This creation page will look different from others—there are no fields!' followed by another list: '• Set a page **Title** and configure any **Menu settings** or **URL alias** that you'd like.' '• Ensure that **Published** is unchecked.' '• Then **Save** the page.' The final paragraph says: 'Once you've saved, you will see an empty page. Click the **Layout** tab to enter Layout Builder.' On the right side, there is a list of links: 'Getting Started with Layout Builder', 'Creating a new page', 'Updating an existing page', 'Saving and publishing', 'Fundamentals', 'Sections', 'Blocks', 'Tips and Tricks', 'Get more space for writing', 'Rearrange blocks easily', 'View page source', 'Edit this page', 'Create child page', 'Create documentation issue', 'Create project issue', and 'Print entire section'. A red arrow points to the 'Layout' tab mentioned in the text.

# YMCA METRO ATLANTA

<https://ymcaatlanta.org/>

The screenshot shows the homepage of the YMCA Metro Atlanta website. At the top, there is a navigation bar with the text "YMCA OF METRO ATLANTA" on the left, and buttons for "Join", "Give", "Volunteer", "Careers", "Select Language", a search icon, and "My Account" on the right. Below this is a blue header with the YMCA logo and the tagline "FOR HEALTH DEVELOPMENT FOR HEALTHY LIVING FOR SOCIAL RESPONSIBILITY", followed by menu items: "MEMBERSHIP", "PROGRAMS", "LOCATIONS", "SCHEDULES", and "IMPACT". The main banner features a photograph of four diverse children smiling, with the text "WELCOME TO YOUR Y!" overlaid in white. Below the banner are three white cards with rounded corners. The first card is titled "Become a Y Member" and features a photo of a woman swimming in a pool. The second card is titled "Sign Up for Camp" and features a photo of a group of children. The third card is titled "Join The Y Team" and features a photo of people at a service desk. Each card contains a short paragraph of text and a green button at the bottom.
