Drupal Core 10.1				alpha 1	beta 1	rc1	10.1.0			
Drupal Core 10.2				start of dev					10.2.0	

Daxko Update

Daxko Update

Deadline extended until March 31

Steps to ensure that service is not disrupted:

If you don't already have API credentials for another purpose:

1. Contact your Daxko sales rep and request to purchase GroupEx PRO API Credentials. This requires an updated agreement and a pricing tier starting at \$39/month, based on call volume.
2. If you are unsure of who your sales rep is, please contact our support team at Support@grouppro.com and they will be happy to connect you
3. Sign the agreement to gain access to your API credentials
4. Provide your API key to ImageX (or your web team) so that they can set everything up from their end

If you already have API credentials for another purpose:

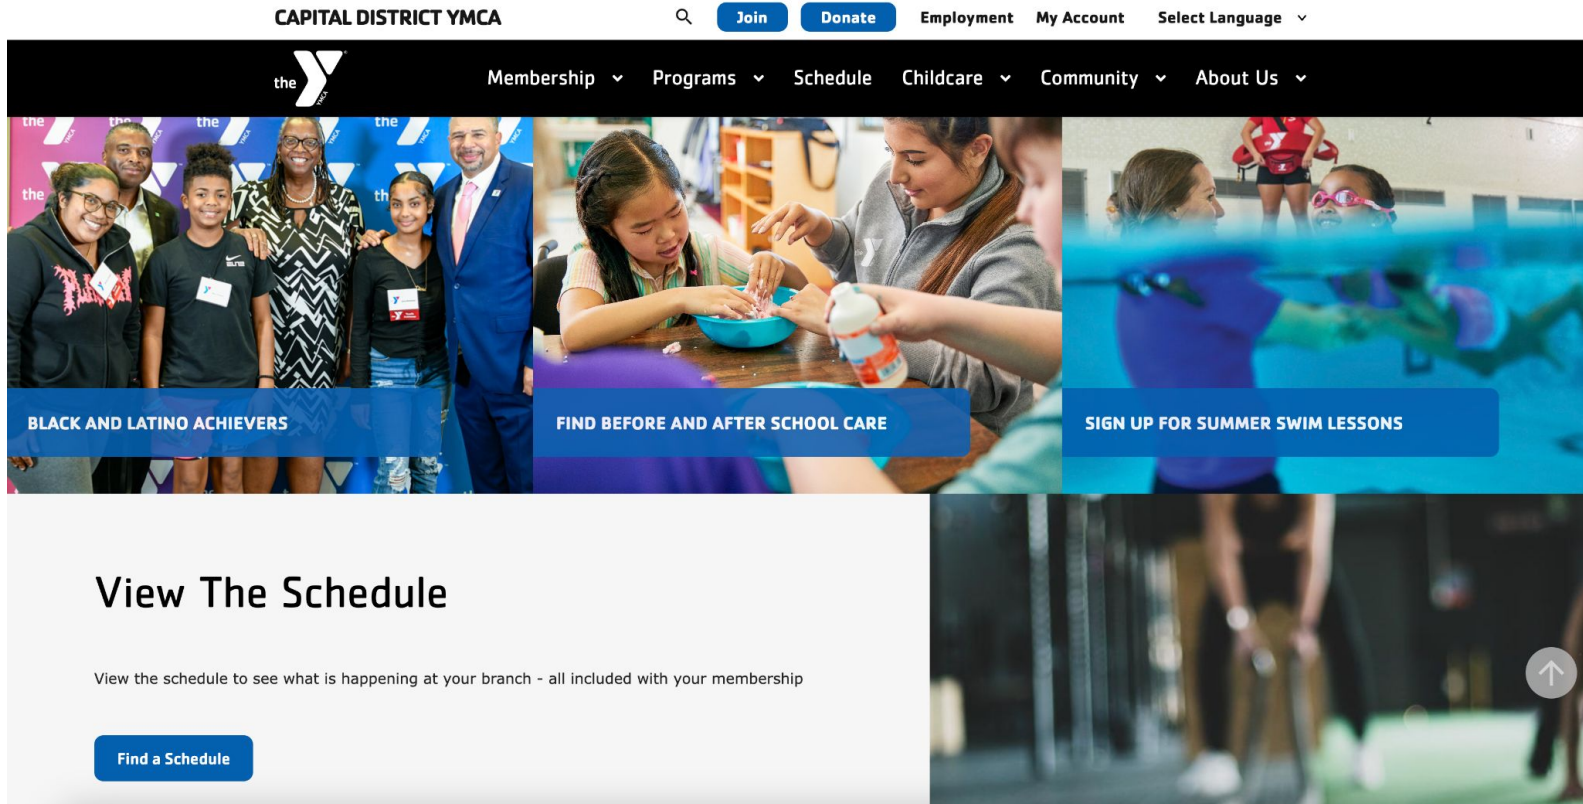

1. Provide your API key to ImageX (or your web team) so that they can set everything up from their end

New YUSA Websites

YMCA Capital District

<https://cdymca.org/>

The screenshot shows the homepage of the Capital District YMCA website. At the top, the text "CAPITAL DISTRICT YMCA" is displayed on the left, and navigation links for "Join", "Donate", "Employment", "My Account", and "Select Language" are on the right. Below this is a secondary navigation bar with "the Y" logo and links for "Membership", "Programs", "Schedule", "Childcare", "Community", and "About Us". The main content area features three promotional banners: "BLACK AND LATINO ACHIEVERS" with a group photo, "FIND BEFORE AND AFTER SCHOOL CARE" with a photo of children at a table, and "SIGN UP FOR SUMMER SWIM LESSONS" with a photo of a swimmer. Below these is a large section titled "View The Schedule" with a subtext "View the schedule to see what is happening at your branch - all included with your membership" and a "Find a Schedule" button. A vertical image on the right side of the page shows a person using a treadmill in a gym, with an upward-pointing arrow icon at the bottom right.
